Web/Graphic Designer

We are looking to hire someone who is a high quality designer who has experience building landing page and optimizing call to actions. Min 3 years design experience.

Skills/Qualifications:

- Proficiency designing in Photoshop and Adobe Flash
- Advanced knowledge of HTML and CSS
- Knowledge and experience with cross-browser and cross-platform issues (Internet Explorer, Firefox, Safari, etc.)
- Very good spoken and written English
- Must be able to work independently as well as within a team
- Understand landing page optimization techniques via simplistic designs focused on call to actions
- Must be comfortable handling adult/mature and sometimes pornographic images.
- Highly creative

Conditions:

- This position is remote based, we are not looking for the candidate to relocate.
- We are ONLY looking for individuals, so if you are an outsourcing company please do not apply.
- We are based in the US so you must be able to work 9-5 or 10-6 EST hours.
- Please when posting your comments please list your expected MONTHLY salary expectations.
