

CITYMEDIA PLUS

EX-YU STREAMING D.O.O.

City Media Plus is a relatively young company with immense results in the field of Internet streaming and multimedia technologies. With its own IPTV software solutions it enables users to access full content on all devices with Internet connection, including 3D HD TV channels.

Owned by its holding company in Switzerland, City Media Plus is working closely with its sister companies in the United States, Canada and Austria on developing a unique system in the area of IPTV.

We are looking for highly motivated people who are willing to take initiative when working towards set objectives.

JOB DESCRIPTION:

Implementation of a very specific client-side web solution, which runs on a very limited hardware (400 MHz, 128 MB RAM). Because of said limitations, expert knowledge of JavaScript is required.

Basic knowledge of HTML and CSS is required, along with DOM manipulation.

Knowledge of JQuery is desirable, but not necessary.

REQUIRED EDUCATION:

University degree in Computer Science

EXPERIENCE:

Minimum 3 years of experience in field
